CIVIL NO. 2:11-CV-00326 (JRG)

JURY TRIAL DEMANDED

JOINT STATUS REPORT FOLLOWING CLAIM CONSTRUCTION ORDER

Pursuant to this Court's Order Granting Joint Motion For Stay (Dkt. 125), the parties submit this joint status report regarding the effect of this Court's Claim Construction Order. On July 22, 2013, this Court issued its Claim Construction Memorandum and Order. (Dkt. 130.) Plaintiff contends that it cannot prove infringement under this Court's construction of "an antenna of the first local wireless interface, the second local wireless interface, and the third local wireless interface." Defendants contend that Plaintiff cannot prove infringement under at least this Court's construction of "an antenna of the first local wireless interface, the second local wireless interface, and the third local wireless interface." Therefore, the parties intend to file a joint motion for entry of judgment of non-infringement, an award of costs to defendant (the amount of which to be determined and payment of which to be stayed pending the outcome of any appeals), and dismissal of Defendant's counterclaims without prejudice.

Dated: August 5, 2013

Respectfully submitted,
